

Notification of Change in Enrollment Status

Full-time students who wish to change to part-time status or transfer to a part-time program must complete and submit this form to Student Financial Services. Requests for a currently enrolled semester must be made prior to the end of the first week of classes. Requests submitted after that time will go in effect for the following term.

Students are required to meet with their student financial services counselor, their academic advisor and if receiving veteran's benefits, the VA school certifying official. Resident students should also notify residence life of their change in status.

To be reinstated to full-time status, the student must "apply" to the Assistant Director of Transfer students in the admissions office. (Currently Christine Marks at 570-674-6424 or cmarks@misericordia.edu).

Please complete and return this form to Student Financial Services as early as possible.
